The Capitol Corridor is primarily financed through funds made available by the State of California. The system is managed by the CCJPA-Capitol Corridor Joint Powers Authority-six local transit agencies in the eight county service area and by BART-The San Francisco Bay Area Rapid Transit District.

## CAPITOL CORRIDOR

The Capitol Corridor serves 16 stations along the 170-mile rail corridor connecting the Sacramento area, the San Francisco Bay Area and San Jose.

An extensive, dedicated network of bus connections provides transportation to destinations beyond the train stations. Together, this system serves the second-largest urban area in the western United States.

Heading to work or taking a weekend getaway? Either way, you'll arrive refreshed and ready. The Capitol Corridor Joint Powers Authority partners with Amtrak, Union Pacific Railroad, Caltrans and the communities comprising the CCJPA to provide travelers a cost-effective, viable and safe intercity passenger rail service—a hassle-free, hands-free, traffic-free way to explore Northern California!

We look forward to seeing you onboard!
